

HOWARD MATTOS FREE THROW SHOOTOUT 17-18

Background:

Howard Mattos was a coach in Cupertino Hoops who tragically passed on during a 5th/6th Boy's Division team practice. To remember Coach Howard, the league created a FREE THROW SHOOTOUT in his honor.

How It Works:

Prior to Tournament day, coaches should conduct a free throw shooting contest for their respective teams. The winner of the team contest will represent their team at the shootout on tournament day.

- Mar 3rd-4th: 45 Boys, 456 Girls, 678 Girls Div 2
- Mar 10th-11th: 678 Boys, 678 Girls Div 1

On Tournament day, the representatives for each team will take part in the free throw shootout by division. Trophies are awarded to the top place finishers. The shootout rules are as follows:

- Each contestant takes 10 consecutive shots
- Best of 10 shots wins
- In the event of ties:
 - 1st Tie Breaker: 5 shots
 - 2nd Tie Breaker: 3 shots
 - 3rd Tie Breaker and On: 1 shot
- If a contestant is unable to attend the tournament shootout for any reason, the coach may choose to either have a backup or no representative.
